At Square Enix's E3 press conference, they announced new titles for their Final Fantasy: Crystal Chronicles and Dragon Quest series. Ring of Fates will release the Crystal Chronicles series on the DS and Crystal Chronicles: The Crystal Bearers and Dragon Quest Swords: The Masked Queen and the Tower of Mirrors will come to the Wii, instead.

Dragon Quest Swords will be a Wii launch title. On the other hand, Square Enix showed a video for The Crystal Bearers. Square also announced that Ring of Fates will be Wi-Fi enabled, with at least four-player online multiplayer. Square gave a few details on the games to be released on the Wii, but mostly, the games remain shrouded in mystery.
